

Innovation of Display Refrigeration

Well-known for one of the tallest skyscrapers of the Kowloon area, Hyatt Regency Hong Kong Tsim Sha Tsui continues the legacy of the former Hyatt Regency Hong Kong. It is situated in the centre of Tsim Sha Tsui business district.

Williams Refrigeration offers a wide range of efficient refrigerators and cabinets that suit the hotel's want and need. It not only provides the standardized refrigerators, but also started to take up the unique custom-made ideas from the customers.

Nowadays, hotels like Hyatt Regency Tsim Sha Tsui are very fond of creating new ideas of the upright refrigerators, the counter-top ones, the wine cabinets, and fruit display showcases.
