

Collecting Place for Famous Persons

Peninsula Shanghai has now become one of the collecting places for famous persons after Chanel fashion show 2010 holding there. Peninsula Shanghai has installed total over 150 units of Williams various products in each kitchen and bar in the hotel and all of the units are placed on plinth due to the hygiene and cleanness which are very highly concerned. At the same time, the back of the kitchen would also be very functional and high quality on architecturally.
