

# Fantastic Wine Cabinets

Enjoying the best skyline views and sleeping in the signature of W beds are the most splendid relaxation in Hong Kong. W-Hotel is well-known for its fabulous service and dining among its worldwide W-chain. Wine lovers are very popular and active in most of the hotels like W-Hotel. It of course requires the best cooling system and yet stylish of wine cabinets for its classy environment.

Williams built the great-looking wine cabinet for W-Hotel. With all around visibility the wine cabinet offers the perfect solution for storing large numbers of bottles in an attractive and contemporary stylish unit.

The sleek stylish design continues internally with contemporary chrome plate stainless steel wine rack for easy loading and excellent display as well as superior low energy LED strip lighting offering bright clear display.
